COMMUNITY PROFILE AND ATTRACTIONS

The City of Bridgeport is located on the northern shore of the Long Island Sound, approximately 60 miles northeast of New York City and 60 miles southwest of Hartford. The City is the crossroads of one of the best land, sea, rail and air transportation systems in the State. State Routes 8 and 25, with their links to Interstates 84 and 91, merge with Interstate 95 in downtown Bridgeport. Bridgeport Harbor is one of the three deep-water ports in Connecticut; its 35-foot deep channels and anchorages can accommodate most ocean-going vessels involved with international trade and shipping. Amtrak and Metro-North provide passenger service to the City from the downtown Transportation Center, and Conrail operates a major freight yard within a quarter-mile of the Port of Bridgeport. The Sikorsky Memorial Airport is a City-owned and operated general aviation facility that is located in Stratford, Connecticut, ten minutes from downtown.

The City is a major medical, legal, industrial, financial and entertainment center. Two medical centers provide for many of the health care needs of the Greater Bridgeport area. Federal, State, and County courthouses are located within the central business district. Corporate and regional business offices are located downtown, including the principal office of one of the largest Connecticut-based banks, People's United Bank.

Major employers residing within the City's boundaries include Bridgeport Hospital, St. Vincent's Medical Center, University of Bridgeport and Bridgeport Health Care Center. The City, long a major manufacturing center, remains the home of more than 200 manufacturing companies. These companies typically exploit new technologies and occupy unusual or even unique market niches.

The Greater Bridgeport area hosts four institutions of higher learning: The University of Bridgeport, Fairfield University, Sacred Heart University, and Housatonic Community College. These educational institutions provide the City's corporate and business communities with skilled personnel, and enhance the area's cultural and community activities. Housatonic Community College, located in the heart of the City's central business district, has

been one of the fastest growing community colleges in New England. Overall enrollment for 2009-2010 has experienced a 10.4% increase.

Bridgeport is also the home of numerous attractions that enhance the City's economic fortunes. The Barnum Museum showcases the life and times of the former City Mayor and renowned showman, P.T. Barnum. The Ballpark at Harbor Yard and The Arena at Harbor Yard bring hundreds of thousands of visitors annually to Bridgeport's Downtown to watch minor league baseball, minor league hockey, college basketball, college hockey, concerts and other shows. The Beardsley Zoo is one of the most visited tourist attractions in the State. The Discovery Museum, located in the north end of the City, offers interactive science and space displays.

Form of Government

The City has a Mayor-City Council form of government. The City's Mayor is the chief executive officer of the City and serves a four year term. The City Council, which acts as the City's legislative body, consists of twenty members elected for two-year terms. The current Mayor— Bill Finch's term expires in November of 2015. The Mayor appointed the Police Chief, Joseph Gaudett to a 5-year term on Dec. 2010 which can be renewed for one additional 5-year term. The Police Chief appoints the Assistant Chief of Police who serves as second in command and acting Police Chief during absences .

Police Commission

The Board of Police Commissioners is comprised of seven members who serve overlapping 2-year terms. This Board establishes departmental policies, goals and objectives; reviews and approves rules and regulations as recommended by the Chief of Police and it conducts hearings concerning officer disciplinary actions which involve more than a 30-day suspension.
